

Dearest Pima -

Thank you so much for the love you've given my boys over the past two and a half years. Words cannot express what that means to me.

I know Connor is so smart and advanced for his age because of you. I remember when he started singing his ABC's at 18 months!

Your advice on the boys always was appreciated because sometimes I didn't know what I was doing 😊! You made a difference!

I know the transition will be difficult and the boys will miss you! I hope they can come and visit you sometimes!

I don't know what we would've done without you. We thank you from the bottom of our hearts and wish you and your girls and the little Angels Schoolhouse nothing but the best! Please let me know if you ever need anything!

With much love,
Kathy, Brian, Connor & Jeffrey
