To Whom It May Concern:

I am writing this letter of recommendation for Ms. Rima Numan, proprietor of Little Angels School House, Chatham, New Jersey. My son was enrolled in Little Angels School House from January, 2003 through August, 2004.

Overall, my son received outstanding care from Ms. Numan and her staff. In addition to being well fed and cleaned properly, he participated in numerous activities scheduled throughout the day including circle time, reading, music and arts/crafts. I was given a written overview of my son's activities each day, and often brought home artwork and other crafts that he created. Ms. Numan also arranged many parties for both holidays and birthdays, making each child feel special. The school environment itself is very clean and child friendly, with careful attention paid to the safety of all children.

I have referred several other families to Ms. Numan, and will continue to do so. My son's experience at Little Angels Schoolhouse was a very positive and enriching one.

Sincerely,

Joanne Cotignola
