To Whom It May Concern:

It is with great pleasure and conviction that my husband and I recommend Rima Numan's services to you. Rima is a unique woman who offers a unique service.

We received Rima's name four years ago through local Chatham friends. Since that time Rima has cared for our sons, now ages 6 years, 4 years and 9 months. Rima provides gentle, loving care and our children always have great fun with her.

In addition to her loving nature, Rima is a wonderful resource with regard to infant/toddler/child development. This is apparent when looking at how Rima has structured her child care environment. Activities and crafts are age appropriate, educational and stimulating, whether the child is 3 months old, 14 months old, or 4 years old. The children are always well cared for, safe and, most important, happy. Each child receives individualized attention to meet their specific needs and desires and Rima carefully documents this so that parents know the details of their child's day.

My husband and I have complete peace of mind when our children are with Rima, which is what all parents want when leaving their child in someone else's care. So it is with confidence that we recommend Rima Numan as an in home child care provider. If any further information is needed, do not hesitate to contact us at the above number.

Sincerely,

Melissa Ryan
